

Tea Concentrate Dispensers

Newco's commercial tea dispensers help you serve delicious tea from concentrate and enhance your profits.

Mechanical (Non electric) Venturi system pulls product through mixing chambers to deliver the perfect blend of tea.

Durable stainless steel construction for years of trouble free service.

Stainless steel positive action check valve to prevent prime loss.

Easily adjust concentrate to water ratios.

Drip tray and quick disconnect included.

Built in water pressure regulator ensures consistent ratios from 5:1 to 15:1.

Optional Tea Fields label available.
